

New Source Review newspaper advertisements for construction permit applications, March 22, 2018. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be or were published on one of the following dates: March 21, 2018, or March 22, 2018. Public notices are generally published every week. The previous publication of public notices was March 15, 2018.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Proton Power, Inc. dba Vonore Synthetic Diesel Plant with a mailing address of 487 Sam Rayburn Parkway, Lenoir City, TN 37771. They seek to obtain an air contaminant permit (Division identification number: 62-0215 / 73816) for the construction of a synthetic diesel plant at 167 Tellico Port Road, Vonore, TN. This proposed facility would consist of material storage, hoppers, conveyors, fuel distillation, and associated equipment and processes used to manufacture synthetic diesel. A thermal oxidizer will be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by these sources. Chelsea Meadows is the assigned Division person.

For the Monroe County "Monroe County Advocate & Democrat"---- publish once on Wednesday, March 21, 2018.

The applicant is Green Plains Obion, LLC with a mailing address of P. O. Box 95, Obion, TN 38240. They seek to obtain air contaminant permit (Division identification number: 66-0123-17/73739) for a Boiler Operation located at 2098 Mc Donald Road, Rives, TN 38253. The proposed operation would consist of a 75.3MMBTU/hr natural gas fired Superior boiler to supply steam to the process equipment in support of the production increase to 150,000,000 gallons denatured ethanol per year. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mrs. Sarosh Kaiser is the assigned Division person.

For the Obion County "Union City Daily Messenger"---- publish once on Thursday, March 22, 2018.
